

Whose Life?

From looking at the pack of photos:

Where does your character live?

How do they earn their livelihood?

What kind of home do they own or rent?

Who are the people who live with them?

Now look beyond the pack of photos:

What is your character's name?

What age is your character?

What colours are their skin, hair and eyes?

What is their favourite thing to eat or drink?

Name 5 activities / things / people / etc. in their life that make them feel good
